

Dr. Ferdinand C Mukumbang

Personal Information

Identification : South Africa (ID: 7804066252188)
Language proficiency : English and French

Education

Name of Institutes : University of the Western Cape (SA)
Institute of Tropical Medicine (Belgium)
Degree : PhD Public Health (**Joint**)
Duration : Three years (**2015 – 2017**)
Dissertation : A realist evaluation of the antiretroviral treatment adherence club programme in the metropolitan area of the Western Cape Province, South Africa

Name of Institute : University of the Western Cape
Degree Obtained : Master's degree in Nursing Education
Duration : Three Years (**2011 - 2014**) – **Cum Laude**
Dissertation : Patients' experiences of being nursed by student nurses at a teaching hospital

Name of Institute : University of Stellenbosch
Degree Obtained : Master's Degree in HIV/AIDS management
Duration : Two Years (**2013 - 2014**) – **Cum Laude**
Dissertation : Actions of female sex workers who experience male condom failure during penetrative sexual encounters with clients in Cape Town

Name of Institute : University of Buea
Degree Obtained : Bachelor's Degree in Nursing Sciences
Duration : Four Years (**1999-2003**) – **Valedictorian**

112 Wiener Street
Cape Town, 7460
South Africa

Employment History

Name of Company	:	South African Medical Research Council
Position	:	Senior Scientist
Period of employment	:	2020 to present
Name of Company	:	IEC Abroad, University of Cape Town
Position	:	Senior Lecturer Public Health – Post-doctoral fellow
Period of employment	:	2019 to present
Name of Company	:	School of Public Health, University of Western Cape
Position	:	Post-doctoral Fellow and project management
Period of employment	:	2017 – 2018
Name of Company	:	School of Public Health, University of Western Cape
Position	:	Senior Researcher - Project Manager
Period of employment	:	2015 – 2017
Name of Company	:	School of Public Health, University of Western Cape
Position	:	Senior Researcher - Project Manager
Period of employment	:	2014 – 2015
Name of Company	:	School of Nursing, University of Western Cape
Position	:	Research Assistant (Part time)
Period of employment	:	2011- 2013
Name of Company	:	Discovery health Insurance
Position	:	Programme director – HIV prevention testing UNIT
Period of employment	:	2009- 2013
Name of Company	:	South African Health Society
Position	:	Wellness Advisor
Period of employment	:	2005 – 2008

Editorial Duties

Associate Editor of BMC Health Service Research journal

Student supervision

PhD Supervisions

Title: Evaluation of a psychosocial support intervention on adherence and retention in care among adolescents on antiretroviral treatment in Zimbabwe

Student: Emeka F Okonji
Type: **PhD thesis (Public Health) - University of the Western Cape**
Role: **Co-supervisor**
Status: **Ongoing**

Title: A Modified Delphi study towards developing a guideline to inform policy on Fetal Alcohol Spectrum Disorder in South Africa

Student: Babatope Adebeyi
Type: **PhD thesis (Public Health) – University of the Western Cape**
Role: **Supervisor**
Status: **Completed – 2019** <https://etd.uwc.ac.za/handle/11394/7004>

Title: Understanding the influence of the MomConnect programme on antenatal and postnatal care service utilisation in two South African Provinces: A Realist Evaluation

Student: Eveline M. Kabongo
Type: **PhD (Public Health) – University of Stellenbosch**
Role: **Co-supervisor**
Status: **Ongoing**

Masters Supervision

Title: Retention in care amongst women initiated on antiretroviral therapy during pregnancy at King Sobhuza II Public Health Unit, Swaziland

Student: Makwindi, Chrispen Christopher
Type: **Master's thesis (Public Health)**
Role: **Co-supervisor**
Status: **Completed - 2016** <http://etd.uwc.ac.za/xmlui/handle/11394/4973>

Title: Factors affecting retention in care of patients on antiretroviral treatment in the Kabwe district, Zambia

Student: Joyce Chali Mwale
Type: **Master's thesis (Public Health)**
Role: **Co-Supervisor**
Status: **Completed – 2017.** <http://etd.uwc.ac.za/xmlui/handle/11394/5251>

Title: Adherence, Retention in Care and Treatment Outcomes of Adolescents on Antiretroviral Therapy in the Western Cape Metropole in South Africa

Student: Ebrahim Kriel
Type: **Master's thesis (Public Health)**
Role: **Co-supervisor**
Status: **Completed - 2018.** etd.uwc.ac.za/xmlui/handle/11394/6313

Title: Exploration of factors that influence adherence to ART amongst patients at Pule Sefatsa Primary Healthcare Clinic in Mangaung District, South Africa.
Student: Tenjiwe Jankies
Type: Master's thesis (Public Health)
Role: **Main supervisor**
Status: **Completed 2019**. <https://etd.uwc.ac.za/xmlui/handle/11394/6703>

Title: Comparison of patient experiences in three Differentiated Antiretroviral Delivery Models in a Public Health Care facility
Student: Sibusiso Ndlovu
Type: Master's thesis (Public Health)
Role: **Main supervisor**
Status: **Completed 2020**

Teaching Experiences

Course taught: Introduction to Public Health
Occasion: Summer School, March **2016**
Institution: School of Public Health)

Course taught: Public Health research methods
Occasion: Winter School, June – July **2017**
Institution: School of Public Health)

Course taught: Public Health research methods
Occasion: Winter School, June – July **2018**
Institution: School of Public Health)

Course taught: Qualitative research methods
Occasion: Information Systems research week, August 15 – 21, **2018**
Institution: University of MOHAS, Tanzania

Course taught: Qualitative research methods
Occasion: Information Systems research week March 3 – 5, **2018**
Institution: University of the Western Cape

Course taught: Qualitative research methods, systematic reviews and referencing
Occasion: Advanced research methodology workshop – November 5 – 9, **2018**
Institution: African Population Health Research Centre

Course taught: Curriculum development and teaching of Community Health in context
Occasion: IES ABROAD Semester course: January – December **2019**
Institution: IES Abroad, Cape Town – University of Cape Town

Grant writing experiences and funding opportunities

Funding call: National Health Scholars Programme
Purpose: Funds provided for this purpose by the National Department of Health South Africa.
Outcome: **Funded – 2016-2018**

Funding call: The African Doctoral Dissertation Research Fellowship (ADDRF) award offered by the Africa Population and Health Research Center (APHRC) in partnership with the International Development Research Centre (IDRC).

Purpose: Data collection and analysis for the completion of PhD

Outcome: **Funded – 2016-2018**

Funding call: Conducted an evaluation of the “Say NO! to gender-based violence” intervention for REPSSI (Regional Psychosocial Support Initiative) from June 2018 – October 2018

Purpose: Evaluation consultancy

Outcome: **Funded – 2018-2018**

Funding call: Self-initiated Research – National Research Fund, South Africa

Purpose: Free standing, self-initiated research

Outcome: **Awaiting outcome – 2018**

Funding call: Self-initiated Research – Medical Research Council, South Africa

Purpose: Free standing, self-initiated research

Outcome: **Funded – 2019 – 2021**

Funding call: Addressing social determinants of health – CDC grant

Purpose: Health systems improvement

Outcome: **Funded – 2020 – 2022**

Thesis examination

2016 – Internal examiner of master’s thesis School of Public Health, UWC

2017 – Internal examiner of master’s thesis, School of Public Health, UWC

2018 – External examiner of master’s thesis, University of KZN

2019 – Internal examiner of master’s thesis, School of Public Health, UWC
